

Curriculum Vitae

Dr. Gamal Ahmed Saad

Academic Rank
Full Professor

Education

- Ph.D.in Architectural Engineering, 2003. Cairo University, Egypt
- M.Sc. in Architectural Engineering, 1998. Cairo University, Egypt
- B.Sc. in Architectural Engineering, Faculty of Engineering, 1991. Cairo University, Egypt

Academic Experience

- Full Professor in Architectural Engineering Department - College of Engineering Jazan University, Jazan – K.S.A. From 2015 till Now-Full time
- Associate Professor and head of the Architecture Department in Faculty of Fine Arts from 2009 till 2014 - Cairo – Egypt. Full time
- Assistant Professor in Architecture Department - College of Fine Art -Minia University from 2005 until 2009 - Cairo – Egypt. Full time
- Lecture from 1998 to 2003 and then Assistant Professor from 2003 to 2005 in high Institute of Architectural Engineering- 6 October City-Egypt. Full time
- Teaching Assistant from 1997 to 1998 in high Institute of Architectural Engineering– 6 October City-Egypt. Full time

Non-academic Expérience

- I have an engineering office for Architecture, Urban design, Real-Estate Appraisal from 2005 to now , I have designed many projects such as educational, residential and administrative buildings

Certifications or Professional Registrations

- Educational Building Architectural Design Consultant N.2634I/2 In Egyptian Engineering syndicate.
- An expert in Egyptian Real- Estate Appraisal Association, n- 165
- Member of humidity Isolated Committee In Egyptian Housing and Building Research Center
- Consultant of Architectural Design and Planning in General Organization for Physical Planning.
- Consultant of the Egyptian National Agency for civilization Coordinate

Briefly List the Most Important Publications:

- Urban space - a visual study of the form and content, Journal of the Engineering &Technology MJTE, Minia University, Minya, Egypt, July , 2019
- Evaluate fundamental and aesthetics of visual architectural form and urban Journal of the Engineering Al-Azhar University, Faculty of Engineering, Al-Azhar University, Cairo, Egypt, May 2018.

- Developing the Egyptian Design Standards for Education Buildings using the American Standards for Gathering for High Performance Schools (CHPS), Urbanization Research Journal Urban Planning College, Cairo, Egypt March 2014.
- Environmental Pollution Affecting the Urban Growth around Egypt's Railways, Sound and Journal of the Engineering Al-Azhar University Faculty of Engineering, Cairo, Egypt, March 2014.
- Noise: Causes and Impacts on Quality of Life- Case Study of the Greater Cairo Region, Journal of the Engineering Al-Azhar University, Faculty of Engineering, Al-Azhar University, Cairo, Egypt, February 2014.
- "Commercial activity - the beginning and development" Study of the development of commercial activity in the city plans through the ages Journal of the engineering Al-Azhar University Faculty of Engineering - Al - Azhar University, Cairo, Egypt, and January 2014.
- The comparative importance of the architectural and urban potentials of knowledge cities (KCs), Proceedings of The 6th Knowledge Cities World Summit (KCWS-2013), Istanbul –Turkey- Sehir University. September- 2013.
- Factors Affecting the External Sound Environment in New Cities - Case Study of 6th of October City, Journal of Engineering Sciences, Assiut University, Egypt, September 2012.
- Analytical study for The Impact of Noise levels Inside Greater Cairo under Ground Metro Station, Journal of Engineering and Applied Sciences, Cairo University, Egypt, August 2011.
- Towards a compatible design entrance to facing up fire disasters, Disaster Management Seminar, Civil protection, Ministry of Interior Riyadh, Kingdom of Saudi Arabia, October 2009.

Service Activities

- Head of Quality Committee in Architectural Engineering Department
- Member of the Graduation Project Committee in Architectural Engineering Department
- Member of Tables& Registration Committee in Architectural Engineering Department
- Member of Education Committee in Architectural Engineering Department Jazan

Research Accounts

- **Google Scholar** <https://min.academia.edu/GamalAbdelHamed>
